

ENRICHMENT

Rabbits and small animals

1

STEP 1

Tear off a piece of newspaper that is big enough to cover a cardboard tube and have space at the edges.

2

STEP 2

Fill the tube with hay and sprinkle some treats in the tube and on the paper to be wrapped up inside.

3

STEP 3

Scrunch the ends of the paper and tie with a piece of string to keep everything inside - like you're making a Christmas cracker!
