JSPCA STUDENT FUNDRAISING PACK

Why Fundraise for the JSPCA?

Love animals? Want to make a difference?

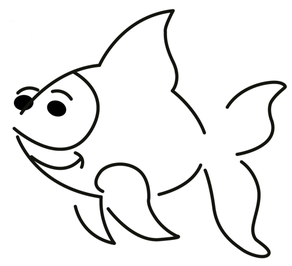

Help Jersey's animals

Every year, thousands of Jersey's animals rely on the JSPCA for shelter, veterinary treatment, rehabilitation and care.

From abandoned pets and injured wildlife to animals in need of a second chance, fundraising helps us provide food, medicine, safe accommodation and expert care.

The JSPCA receives no government funding for its day-to-day work, which means we rely on the generosity of our community to continue helping animals in need.

Quite simply, fundraising helps keep our doors open and allows us to be there when Jersey's animals need us most.

Every pound makes a difference

Whether you raise £10 or £1,000, your support can help animals receive the care they deserve.

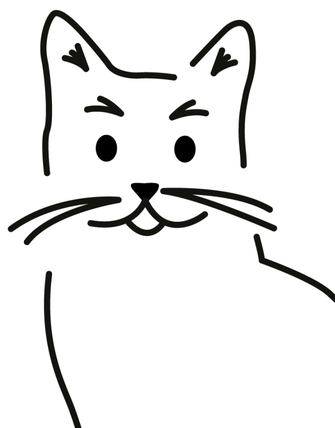

Every pound raised can help make a difference to animals in Jersey.

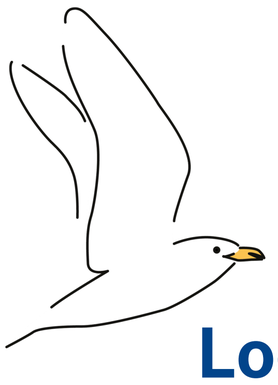

Every contribution counts

You don't have to organise a huge event or raise lots of money to make a difference. Collecting pet food, donating supplies, or working together with friends or classmates can be just as valuable.

Every contribution helps support Jersey's animals.

How Your Fundraising Helps

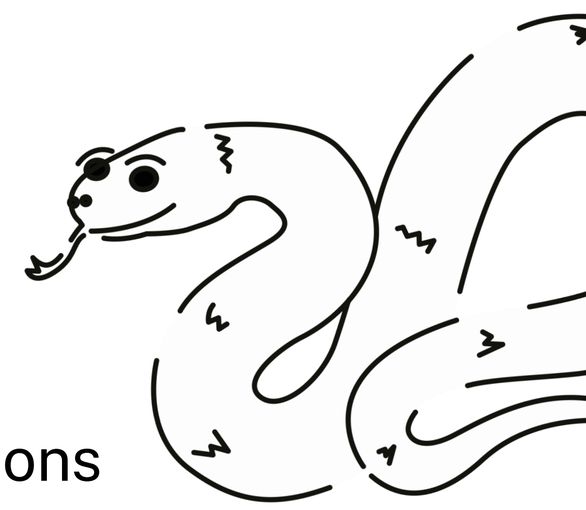

When Milo the cat arrived at the JSPCA, he needed urgent veterinary care and support. Thanks to the generosity of our supporters, he received the treatment and care needed to make a full recovery.

Today, Milo is healthy, happy and enjoying life in his new home.
